

The Borough of Atlantic Highlands is pleased to offer Seastreak commuters a flat rate “session fee” of \$10 weekdays for drivers who connect before 9 a.m. and return by 6:30 p.m. Drivers who stay connected after 6:30 p.m. will be assessed a \$.15/minute overstay fee.

To get this rate, Seastreak commuters will need to join via the “Connections” link on the ChargePoint app. To access, drivers should open “Account” section of the app and click on Connections, as shown in the photo below.

Drivers should use the search tool to find “Atlantic Highlands Marina – Seastreak”. You will be asked to enter your vehicle make, model and license plate number. Once the account is connected, drivers will then qualify for the commuter fee. Otherwise, drivers will be charged the public hourly charging rates.
